

# Final Service Changes Fall 2021

**Note: Due to a bus driver shortage, implementation of Final Fall 2021 Services Changes may be delayed until staffing levels increase.**

## **Service Enhancements:**

**Service Improvement – Route 11 (World Arena – PPCC):** MMT will address long-standing on-time performance issues experienced by Route 11 on Saturdays and Sundays. It has become increasingly difficult to keep this route operating according to schedule.

**Implementation: Sunday, September 26, 2021**

**Service Improvement – Route 22 (Southborough via Murray Boulevard):** MMT will add Sunday service to Route 22 to provide our customers with mobility options seven days a week.

**Implementation: Sunday, September 26, 2021**

**Service Improvement – Route 23 (Galley Road - Tutt Boulevard):** MMT will add Sunday service to Route 23 to provide our customers with mobility options seven days a week.

**Implementation: Sunday, September 26, 2021**

**Service Improvement - Route 37 (Hancock Plaza to Colorado Springs Airport):** MMT will convert the new Route 37 service serving the Amazon facilities and the Colorado Springs Airport from an express service tailored to Amazon's shift changes to a full service route with additional trips and ADA paratransit service.

**Implementation: Sunday, September 26, 2021**

(Final service enhancements are continued on reverse side.)

## **Service Enhancements (Continued):**

**Service Expansion - Downtown Shuttle:** MMT will implement a new Downtown Shuttle that will greatly enhance mobility, help improve congestion, and provide parking management solutions in downtown Colorado Springs. With high-frequency service, extended operating hours (including late-night weekend service), and connections to key downtown destinations, this service is designed to serve all your mobility needs when visiting downtown Colorado Springs.

**Implementation: Sunday, April 24, 2022  
(at the earliest)**

**Reminder:** As approved through the spring 2021 service change process, Route 33 (Incline/Cog Shuttle) will stop operating at 6:00 PM in the off-season (late September through late April).

**Effective Sunday, September 26, 2021.**
