

# SAFE IN SECOND GRADE

The Colorado Springs Fire Department's SafetyFactor program is designed specifically for your 2nd-grade students! This highly interactive fire and injury prevention program aims to teach students basic fire safety skills and injury prevention measures and how to apply them. Students will learn and practice:

- What to do in an emergency situation
- How to use 9-1-1
- Pedestrian safety
- The importance of knowing your address
- The importance of having a fire escape plan
- The importance of wearing a helmet
